Presents:

Aijii Healing: How Chakras Relate to Disease and Healing

A lecture by Karin Nemri

Discover how healers in the Spiritual Realm are working with healers in the physical world to give you a *spiritual understanding* of healing. Learn how unresolved emotional issues create blocks in your energy system that can manifest as disease and dysfunctions.

This presentation aims to validate esoteric activity for anyone who is drawn to energy healing, and to open the minds of those who are skeptical.

After a near-death experience, Karin has learned that the *Aijii System* is the Energy System that is used in the Spiritual Realm. Aijii Healing encompasses all energy healing methods (i.e. Reiki, Therapeutic Touch, etc.). *Aijii Healing* is a demonstrative method that helps people to see what is normally happening invisibly during an energy healing session. This allows people to better understand how the Heavens use subtle energies. Studies have proven that faith in a Higher Power and belief in a system greatly affects how we heal. This demonstration utilizes the expression that *seeing is believing*.

Karin Nemri is a certified Spiritual Counselor, Aijii Healer and Hospice volunteer. She is the Chairperson of the CT Affiliate of *The Twilight Brigade-Compassion in Action*, a member of CT Holistic Health Association, the CT Coalition to Improve End-of-Life Care, the Academy of Religion and Psychical Research and the CT Emergency Crisis Team/Spiritual Division. She has a private practice in Bloomfield.
