

**The Southwestern branch of the
Connecticut
Holistic Health Association**
presents

Intuitive Marketing

This talk applies intuitive principles to the business side of growing a consulting practice. Ideas about money, profit, selling and promoting often interfere with the practical task of making it easy for people to connect and work with your service. The intuitive approach shared in this workshop simplifies and opens the path to
living
abundantly doing work you love.

With:
Nancy Rosanoff, Ph.D.

Nancy Rosanoff, Ph.D. has maintained a successful practice as an intuition consultant for over 20 years. She is currently consulting with entrepreneurs, small and large businesses and individual practices in applying spiritual reality to create thriving, abundant, holistic businesses. She is the author of KNOWING WHEN IT'S RIGHT, An Intuitive Approach to Improving Relationships, INTUITION WORKOUT, and The Complete Idiots' Guide to Making Money Through Intuition. Her web site is : www.rosanoff.com
